Dear Parents and Guardians-

Orchard Place has continued to monitor the global outbreak of COVID-19, a respiratory illness caused by a new coronavirus.

You will continue to receive regular Orchard Place Campus via email as the situation evolves. These updates will continue to come via email at this time. You can also reference all parent communication on the Campus page of the Orchard Place website at:

<https://www.orchardplace.org/services/orchard-place-campus>

There are really no new updates to share today so instead we are sharing a Mindfulness Tips flyer that you can use to assist you with parenting your child.

These are unprecedented times for everyone and can be challenging to navigate. We encourage you to continue to utilize your own self-care plans and social support systems. As always, your child's therapist or building supervisor are available to discuss your concerns or questions.

Sincerely,

Amber Rand, LMHC, IAADC
