

6/16/20

Dear Parents and Guardians-

Here is today's Campus update, which can also be found on the Campus page of the Orchard Place website at:

[https://www.orchardplace.org/services/orchard-place-campus.](https://www.orchardplace.org/services/orchard-place-campus)

1. With this upcoming weekend being the Father's Day holiday, we will allow for youth to participate in extended home visits **Friday June 19 through Monday June 22**. Please discuss this with your child's treatment team to determine the best visiting plan for your child and your family.
2. Even with the Governor lifting the restrictions on public pool closures, the Des Moines Park and Recreation Department has decided not to open the neighboring pool next to the campus this year. We know this is disappointing for the campus residents as they have historically enjoyed the pool activities in years past.
3. Jacobson and Aliber have resumed in-person family therapy sessions and visits afterwards outdoors. Please remember to call to the front desk upon your arrival to the parking lot-**515-285-6781**. You will be asked COVID screening questions at that time. The therapist will meet you outside by the front doors to take you to the picnic table area for your appointment. Thanks for complying with these new COVID procedures.

As always, your child's therapist or building supervisor are available for assistance.
