

6/19/20

Dear Parents and Guardians-

Here is today's Campus update, which can also be found on the Campus page of the Orchard Place website at:

[https://www.orchardplace.org/services/orchard-place-campus.](https://www.orchardplace.org/services/orchard-place-campus)

1. As of **June 22nd**, you will be able to participate in weekly in-person family therapy sessions and visits for youth in all buildings. Visits will continue to occur outdoors, weather permitting. Please remember to call the front desk when you arrive so you can complete the screening questions, **515-285-6781**.
2. We understand you may be driving from afar for these appointments and therefore need to use the restroom. We encourage you to utilize restroom facilities at nearby convenience stores located just up the street on Army Post Road and SW 9th St. If unable to do this and you need to use a restroom on campus, you should come to the main doors of the FSC building. The administrative staff will ask you to don a face mask and will provide you with one if you don't already have one. You will have your temperature taken with the infrared thermometer and documented on the log sheet. You will use hand sanitizer at the front door. Then you may use the restroom.
3. As a reminder, visits/sessions are occurring only with parents/guardians. No other youth under the age of 18 or any other adults may attend these visits/sessions.
4. Guidance about Deciding to Go Out. The CDC just issued new guidance this week regarding Deciding to Go Out- <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/deciding-to->

go-out.html?deliveryName=USCDC_2067-DM31064. The link gives you helpful reminders when deciding where and how you are going out into the community. This can help you to make the best informed decision to support yourself and others.

As always, your child's therapist or building supervisor are available for assistance.

Sincerely,

Amber Rand, LMHC, IAADC
Campus Vice President

Dr. Stephen R. Mandler
Chief Medical Officer, Orchard Place
Board Certified in Child & Adolescent Psychiatry
