Dear Parents and Guardians-

Here is today's Campus update, which can also be found on the Campus page of the Orchard Place website at:

[https://www.orchardplace.org/services/orchard-place-campus.](https://www.orchardplace.org/services/orchard-place-campus)

As youth begin home visits this weekend, we want to give a reminder about practicing social distancing. You will discuss this further with your child's therapist when you review the Off Campus Visit Contract. But today we are also bringing back a prior visual we used-The Social Distancing Stoplight. It's included here for your reference. We hope everyone has safe and secure visits in the coming weeks. We appreciate your continued efforts to follow Orchard Place COVID Guidelines to assist the campus with infection control measures. Stay safe and be well.
