

6/9/20

Dear Parents and Guardians-

Here is today's Campus update, which can also be found on the Campus page of the Orchard Place website at:

<https://www.orchardplace.org/services/orchard-place-campus.>

Hopefully your first overnight visits have gone well this past weekend and you are gearing up to participate in family therapy and day passes this week as well.

Just a reminder that you need to give 72 hour notice when scheduling your child's visit which requires medication. This is in order to give our pharmacy enough time to get the medications to campus. We will be strictly enforcing this rule for this upcoming weekend.

As a reminder, Aliber and Jacobson will resume in-person family therapy sessions every other week starting on June 15th. On campus visits for those buildings will also resume on that date.

Also, please do remember your family therapy sessions and visits will be conducted outside whenever possible so please dress comfortably for the weather.

Thanks for your continued patience and adjustments to our COVID guidelines.

As always, your child's therapist or building supervisor are available for assistance.

Sincerely,

**Orchard Place
