Orchard Place Cheer Squad!

Our Campus residents come from every corner of Iowa and many have families that travel several hours to visit and provide support. We are looking for volunteers who can help us show each and every child at Campus that others are thinking of them too and want them to be successful in life. Can you help us? Receiving a little thoughtful or fun token can really make a big difference in a child's life! Each month we would like to provide each of the 88 Orchard Place residents a card or little treat bag. We need groups that can show our kids some extra support for the following months: June, August, September, October, November and December.

To volunteer or donate items for any of these opportunities please contact: Brandie Broadhead at bbroadhead@orchardplace.com or call 515.287.9621
