Orchard Place Cheer Squad!

Our Campus residents come from every corner of Iowa and many have families that travel several hours to visit and provide support. We are looking for volunteers who can help us show each and every child at Campus that others are thinking of them too and want them to be successful in life. Can you help us? Receiving a little thoughtful or fun token can really make a big difference in a child's life! Each month we would like to provide each of the 88 Orchard Place residents a card or little treat bag, **We need groups that can show our kids some extra support for the following months: September, October, November and December.**

**I Feel
PRETTY
Awesome!**

Help our kids Feel Pretty Awesome during their time at Orchard Place!

Many times when kids come to Orchard Place they do not always feel well enough to tend to their outward appearance. As they progress through their treatment, they start to feel better about themselves and in turn want to improve their appearance, especially when it comes to their hair! We are looking for volunteers to commit to at least one month, or the entire summer, to come out to Campus for one hour each week and show our kids how to style, braid, curl, and straighten their hair. Our male residents could use some help with learning to use a razor along with simple ways to style their hair too! College students or new graduates—**this is an easy way to volunteer and make a difference over the summer!**
